

# REAL-WORLD PROJECTS

## as a P&G Intern

Procter & Gamble is one of the world's most successful consumer goods Company with approximately 110,000 employees and a turnover of 76,3 billion US\$. We are focusing on 10 product categories with about 65 brands. In Germany about 10,000 employees are represented at 14 sites including Wella®, Gillette® and Braun®.

We offer exciting and challenging internships with business responsibility from day 1 and best-in-class coaching & training, typically lasting between 2-6 months. Available all year round in the following functions:

### Sales (Job No: CBD00015484)

Learn about strategic selling solutions, and delivering results through superior planning, communication and influence as a member of one of our customer teams.

### Brand Management/Marketing (Job No: BRM00000141)

Learn how to develop marketing plans by identifying marketing tactics and by building on consumer, shopper and customer insights as part of one of our multi-functional teams.

### Finance & Accounting (Job No: FIN00003383)

Experience the key role Finance & Accounting plays in the strategic development of business at P&G, whilst learning of the importance of financial mastery and leadership skills.

### Supply Network Operations (Job No: SNO00001537)

Inside our end-to-end supply chain experience what it takes to get thousands of different products on to the shelves in our customers stores in the right quantities, at the right time and with perfect quality.

### Consumer & Market Knowledge - CMK (Job No: CMK00001019)

Our mantra is the 'Consumer is Boss'. Experience how CMK's unique responsibility to champion the voice of the consumer and be on the forefront of markets trends, makes CMK critical leaders in catalyzing business growth.

### Information Technology (Job No: IT 00000617)

It isn't just about technology; it's about using information & technology to transform our business. Learn how to create and manage the systems and tools to gather, analyze and use information to dramatically improve results.

#### Your Profile:

We seek students as of their 3rd semester of study (Bachelor/Master/Diploma) with both practical and international experience. Gained through former internships and / or semesters abroad. You need to possess strong communication and leadership skills and have an outstanding analytical mind.

#### We offer:

Besides exciting projects and a monthly salary in the range of Euro **1,400 – 1,550** we offer a varied and challenging internship program with individual coaching & feedback, trainings, career consulting and other joint activities with a broad and inter-culturally diverse intern group.
